# Greenwich Community Directory

Your online health, social care and community directory

The Greenwich Community Directory is the free, local, easy to use, one-stop website to help you to live well. It is run in partnership by the Local Authority, local NHS and voluntary sector in Greenwich.

- ✓ Search for local information and services across health, social care and community
- ✓ Create a personal shortlist of information and services you find to send to your printer or phone
- ✓ Check eligibility for adult social care with our simple online self-assessment tool
- ✓ Get top tips and help for improving your health and wellbeing using our online wellbeing planner

If you would prefer to speak to someone over the phone you can call the Live Well Greenwich Line on 0800 470 4831.
