

## Breastfeeding Friendly Greenwich Policy

We are a Breastfeeding Friendly venue. We welcome and encourage babies to breastfeed in all public areas of our premises.

On behalf of.....(business name) I agree that:

- Breastfeeding is acceptable in all areas of our premises that are open to the general public and we will welcome and encourage breastfeeding mothers.
- A mother who is breastfeeding in our premises will not be asked to move or to stop feeding.
- All areas available for breastfeeding will be clean and warm.
- All staff will be made aware of our membership of the scheme and will be supportive to breastfeeding mothers.
- If a member of the public complains about discreet breastfeeding our staff will always support the breastfeeding mother.
- We will display the Scheme's sticker for parents to see.
- Our details will be included on the website [www.livewellgreenwich.org.uk/bfg](http://www.livewellgreenwich.org.uk/bfg) and promoted to parents in Greenwich.

We can request that our name be removed from the website at any time.
